AX650 Stacking Moving Glass Walls

Designed for the modern home, the AX650 Stacking Moving Glass Walls system is a first-rate aluminum wall that's available in a stacking configuration. It's strong, durable, and energy efficient. The large glass panels seamlessly merge the interior and the exterior, facilitating amazing views of the outside world.

What you can expect

ENERGY EFFICIENCY

Available with a number of energy-efficient options – argon gas between the panes, Low-E glass coatings – AX650 Stacking Moving Glass Walls provided the excellent energy performance that homeowners need in the 21st century. No matter where you live, the AX650 can help minimize your energy costs.

SUPERIOR HARDWARE

Featuring flush and contemporary handles, the hardware on the AX650 Stacking Moving Glass Walls epitomizes modern design. The color options are black and brushed nickel.

LUXURIOUS LIVING

Due to its immense size, AX650 Stacking Moving Glass Walls can merge the interior with the exterior like few others on the market. When it's fully open for entertaining, you'll be amazed at how much the AX650 expands your space.

Engineered to perform

- Panels can reach a size of 5' wide x 10' height
- Available in two-, three-, and four-panel configurations, as well as bi-parting
- Can achieve a NFRC-rated U-value of 0.27
- Operates smoothly on standard 1.81" rollers
- 2-point stainless adjustable lock is standard

Max sizing

WIDTH	HEIGHT
2 - PANEL	
10'	10'
3 - PANEL	
15'	10'
4 - PANEL	
20'	10'

Energy efficient glass

Able to meet ENERGY STAR® requirements in all four climate zones. Our dual-pane insulated glass package options help save on heating and cooling costs while enhancing home comfort.

- In cool weather, insulated glass provides outstanding thermal performance to keep interior glass surfaces closer to room temperature, eliminating cold spots
- In warm weather, it helps reduce solar heat gain and minimize glare to improve interior comfort

GLAZING TYPE	U-VALUE	SHGC
E366 with Argon	0.31	0.22
E366 /i89 with Argon	0.27	0.21
