PARTNER WITH MILGARD

Dependable solutions

MILGARD® Windows and Doors is the reliable partner for residential production builders, offering high-quality products and services that improve efficiency and streamline workflow. Partnering with MILGARD provides a competitive edge and lasting value through expert support and advanced technology.

LONG-TERM VALUE CREATION

With MILGARD, your investment in quality windows and doors leads to satisfied homeowners, fewer callbacks, and a stronger reputation for your developments.

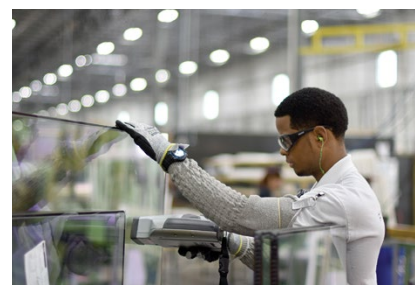

- MILGARD is a trusted household name, recognized by homeowners for quality and reliability
- Positive homeowner reviews highlight superior performance and aesthetics
- Durable products with extended lifespans help reduce replacement costs
- Innovative designs enhance curb appeal and increase homeowner resale value

UNMATCHED PRODUCT QUALITY AND PERFORMANCE

MILGARD products are designed for durability, security, sound control, and energy efficiency that provide long-lasting performance for your homes.

- NFRC, AAMA, and STC rated products ensuring performance, efficiency, and quality standards
- Proudly assembled in the USA using MILGARD's proprietary high-quality vinyl formula for durability and consistency
- Rigorous quality assurance backed by industry-leading warranties and expert MILGARD Service Technicians for reliable, long-term performance

RELIABLE DISTRIBUTION AND DELIVERY

Stay on schedule and on budget with MILGARD's reliable, local manufacturing and streamlined delivery network.

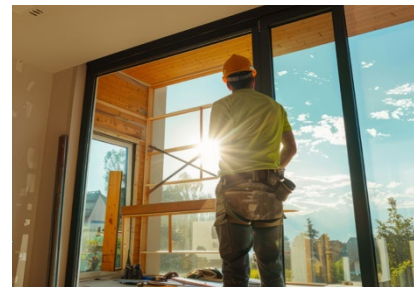

- Consistent on-time, in-full delivery across all locations
- Five strategically located regional manufacturing facilities for efficient production and delivery
- Expansive network of distributors ensuring product availability nationwide
- Trusted partnership with a leading supply chain solutions provider for seamless logistics

CUSTOM SOLUTIONS FOR EVERY PROJECT

Customize your homes with our versatile selection of windows, doors, and moving glass walls – all designed to meet the specific needs of your projects.

- Wide range of materials, finishes, and colors — including vinyl, aluminum, and fiberglass options; 8 standard color choices; premium cap stock/co-extruded finishes; and Kynar® paint for enhanced durability
- Built to order — custom sizes and configurations provide tailored solutions for every project
- Upgrade options available, including SDL grids, various operating styles, grid patterns, and color selections, plus expansive openings like moving glass wall systems (multi-slide, pocket) and French doors

BUILDER-FOCUSED SUPPORT

As a reliable window and door manufacturer, MILGARD works with you at every step – from project planning to post-installation support – to deliver consistent success at scale.

- Dedicated account management team including sales support and credit representative
- Localized service teams ensuring fast resolutions and on-the-ground support
- Direct access to technical experts and training for code compliance, installation best practices, and industry insights
- Comprehensive builder marketing resources to support sales efforts and brand differentiation

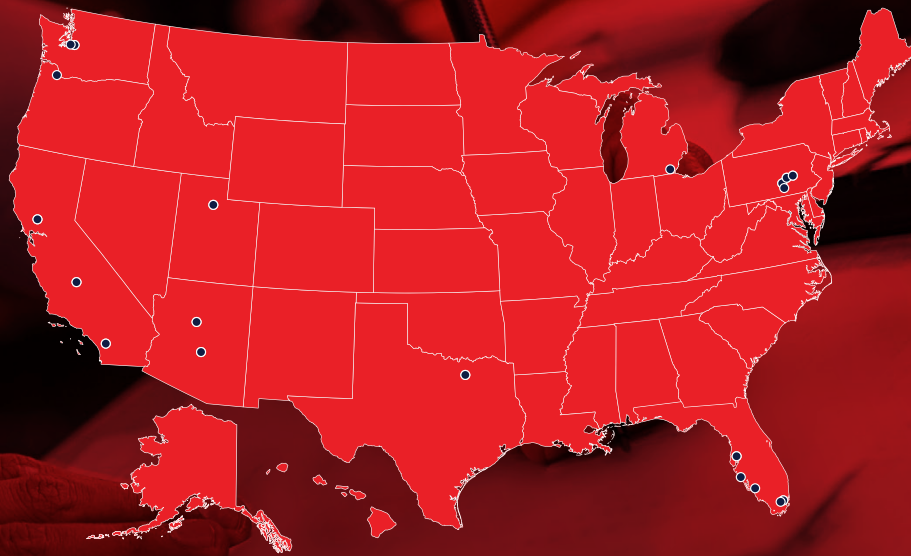

Unlock greater value with MILGARD's bundling and volume program

Simplify your projects and save with MILGARD's bundling and volume program—your go-to for windows, doors, and moving glass wall systems. Contact your sales representative today to learn how our window and door bundling program can support your next build!

Backed by MITER Brands

Nationwide strength, regional expertise – windows and doors for every project. At MITER Brands, we bring together the power of MI, MILGARD, and PGT to redefine the window and door industry. With a commitment to precision manufacturing, uncompromising quality, and continuous innovation, we deliver solutions that builders and homeowners trust.

With nearly two dozen fabrication centers across the U.S. and parts of Canada, we provide energy-efficient, high-performance windows and doors tailored to regional needs. Our diverse product portfolio—including vinyl, aluminum, and fiberglass windows, sliding and swinging patio doors, and moving glass wall systems—ensures the right solution for every project.
