A modern, multi-story building with a mix of dark grey and white exterior panels. Large, multi-paned windows are prominent, reflecting the sky. Balconies with glass railings are visible on the upper floors. The building is set against a clear blue sky. In the foreground, there's a concrete wall and some landscaping with small trees and plants.

OUR APPROACH

We have a dedication to quality and build our windows and patio doors to last. With our Vinyl Series you're covered with our 10 Year Commercial Warranty.

**OUR GOAL IS
100% TROUBLE-FREE**

With a goal of 100% trouble-free, our teams work tirelessly to help ensure your project stays on track.

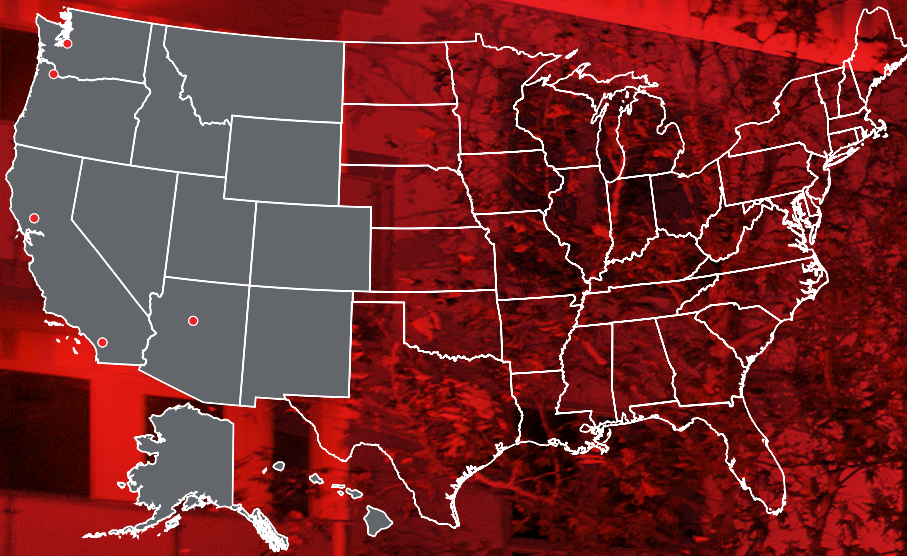

From regular inspections and quality audits throughout the manufacturing process, we strive to ensure that the final product you receive meets our high standards.

In addition, most MILGARD windows and patio doors carry the American Architectural Manufacturers Association (AAMA) Gold Label to show they have met their strict requirements, which are tested and certified by a third party. This rigorous testing includes water, air infiltration, structural integrity and forced entry resistance.

Backed by MITER Brands

Nationwide strength, regional expertise – windows and doors for every project. At MITER Brands, we bring together the power of MI, MILGARD, and PGT to redefine the window and door industry. With a commitment to precision manufacturing, uncompromising quality, and continuous innovation, we deliver solutions that builders and homeowners trust.

With nearly two dozen fabrication centers across the U.S. and parts of Canada, we provide energy-efficient, high-performance windows and doors tailored to regional needs. Our diverse product portfolio—including vinyl, aluminum, and fiberglass windows, sliding and swinging patio doors, and moving glass wall systems—ensures the right solution for every project.
