Notes:

Glass formulas:

Fixed unit & acoustical lite : AWW - 2 11/16"

AWH - 2 11/16"

Due to vinyl bending variances, glass sizes may not be exact.

Template may be required if ordering replacement units.

Total visible glass is combined area of all units, minus one inch in both width and height from each unit for spacer reveal.

Due to continual product research and development, details may be changed at any time
