Milgard Launches 50th Anniversary Emblem Design Contest

TACOMA, Wash. (September 12, 2011) - In 2012, Milgard Windows & Doors will be celebrating 50 years of quality, ease of use, durability, energy efficiency and value. In preparation for this significant milestone, Milgard is launching a contest to design its 50th anniversary emblem!

Employees, dealers, consumers and anyone that aspires to own Milgard windows are invited to participate. The winning emblem design, or likeness thereof, will be featured in a variety of Milgard 50th anniversary celebration applications. This gives entrants the chance to leave their indelible mark on this momentous event!

"Milgard Windows & Doors has had one unwavering goal over the past 50 years, and that's to be the best window and door manufacturer." said Jeremiah Noneman, Consumer Brand Manager for Milgard. "It's our consumers, dealers and employees that have made this all possible and this is an opportunity for them to kick-off the anniversary celebration."

In addition to submitting 50th anniversary emblem design ideas, entrants are encouraged to share stories about their personal Milgard experiences and how they influenced their designs. For complete contest rules and emblem submission guidelines, please visit www.milgard.com/50thanniversary.
