Milgard Windows & Doors Recognized as Platinum Business Partner of the Year

TEMECULA, Calif. – Milgard Windows & Doors was recognized as the 2020 Platinum Business of the Year by Temecula Valley Chamber of Commerce at its annual awards gala this month.

Each year, the members of the Temecula Valley Chamber of Commerce nominate businesses, non-profit organizations, and individuals who serve as leaders in the area. Nominees must complete an extensive application outlining their business practices, civic duties, community service activities and team member benefits to be considered. This year there were five businesses in the Platinum category.

“We were so honored to receive this award in our local community,” said Debra Johnson, Sr. HR Business Partner for Milgard Windows & Doors. “We make a difference by manufacturing the finest windows, doors, and customer experiences for team members and customers every day.”

Milgard offers a wide variety of job opportunities that offer competitive pay, health and welfare benefits, recognition and opportunities for advancement.

Milgard is also committed to providing team members with opportunities to volunteer and give back to local charities including senior programs, autism awareness, military families and the homeless in and around the Temecula area.
